

**Military Voucher Program
Funded by
The Edward T. Bedford Foundation
and The Stanley Blaxton Foundation**

Welcome to the First Tee of Hampton Roads' Military Voucher Program funded by the Edward T. Bedford Foundation and the Stanley Blaxton Foundation. Through generous donations made to our chapter on behalf of both foundations, we are able to offer a **\$50 voucher** to military families who are currently active duty, reservists or retired. All military will count towards this program. Please download and complete the voucher for each child participating in either a class or camp at any of our seven locations and return it to the office when registering, in order to receive the \$50 off. Also, please submit a copy of your current military ID, along with the voucher. The voucher can be used repeatedly for each child throughout the year, as long as the funding remains available. Once the allotted funds are depleted, the program will end until renewal in the following year.

We are honored to have received this grant and award it back to you...our military families...so that your children can experience the First Tee! They can learn the game of golf, the Nine Core Values, Nine Healthy Habits and Life Skills to aid in their success both on and off the course!

 Military Parent Name/Guardian Name

 Branch of Service

_____ Age
 Child's Name

By affixing my signature, I affirm that one parent/guardian of the above named child is a member of the United States Armed Forces.

 Parent/Guardian Signature

 Date

Note: For 2021, the voucher expires by 11/30/21 or until the funding allotted for this program is depleted. The voucher is good for \$50 per child, to be used toward a class or specialty camp only. Voucher is only valid at The First Tee of Hampton Roads and its program locations.

- We teach Nine Core Values™, the backbone of our curriculum. Our goal is to have participants learn them, practice them and live them both on and off the course.
- We teach Nine Healthy Habits™ to emphasize the importance of healthy eating, proper nutrition & tackle childhood obesity.
- We offer Character Education Golf classes at 6 golf program locations.
- We offer Spring Break & weekly Summer Camps...they are the ultimate golf experience where kids learn golf, life skills, have fun through games and make new friends.
- We continue to integrate the STEM Program. Science-Technology-Engineering-Math, into our camp sessions, where kids learn the science behind the game.
- Through community outreach, we positively impacted over 38,000 children across the community; Homeschool programs at a YMCA, after school program at Boys & Girls Club or at military bases and through our National School Programs now in 100 elementary schools...we are bringing the First Tee to those who may not have the opportunity and introducing life skills and golf so every child has the chance to play.

"We've spent over 20 years building experiences that build character to empower kids through a lifetime of new challenges and continuous personal growth"
