FIRST TEE—HAMPTON ROADS is a youth development organization dedicated to empowering kids and teens to build their inner strength, self-confidence, and resilience. Our chapter serves over 40,000 youth in our community. The mission of First Tee is to impact the lives of young people by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf. We enrich the lives of children by teaching character values so they can make a positive impact in their school, at home and in our community. Our chapter, First Tee—Hampton Roads, is part of the First Tee organization founded by the PGA and locally, a location and program of the YMCA of South Hampton Roads.
