hampton roads

good golfers . . . better people

First Tee—Hampton Roads is a youth development organization dedicated to empowering kids and teens to build their inner strength, self-confidence, and resilience. Our chapter serves over 40,000 youth in our community. The mission of First Tee is to impact the lives of young people by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf. We enrich the lives of children by teaching character values so they can make a positive impact in their school, at home and in our community. Our chapter, First Tee—Hampton Roads, is part of the First Tee organization founded by the PGA and locally, a location and program of the YMCA of South Hampton Roads.

cavalier golf & yacht club

One of only 12 legendary Charles Banks designed courses in the world, the 6,175-yard, par 69 course sits among the 100-year old pines of Linkhorn Bay in the beautiful Birdneck Point neighborhood of Virginia Beach. A challenge to players of all levels, the course offers a unique finish to any round.

princess anne country club

Long considered to be one of the region's most beautiful and challenging par 70 tracts, the golf course at the Princess Anne Country Club was designed by Pete Dye protégé, Tim Liddy, to be a superb fusion of art and strategy for the novice and seasoned player. The course meanders through scenic neighborhoods lined by lush pines and crosses several inlets and lakes.

Dear South Hampton Roads Community Members and Business Partners,

For 10 years I have served on the Board of Directors and my family has been honored to be a part of First Tee—Hampton Roads. For those who are unfamiliar, First Tee is an international youth development non-profit organization, dedicated to empowering kids and teens by teaching core-values through the game of golf. Through First Tee, my kids learned to enjoy golf, but more importantly First Tee taught numerous life skills such as honesty, responsibility, confidence, courtesy, and respect. My kids will use these lessons to lead all aspects of their lives going forward.

On behalf of our Board, I invite you to join me in sponsorship of our Annual Tournament. This is our largest fundraising event of the year and critical to funding our mission. As we enter the 22nd year of this event, we are extremely proud to carry on the tradition of running one of the premiere charity golf tournaments in Hampton Roads. Our event is hosted at two beautiful private golf courses (Cavalier & Princess Anne Country Clubs) with first-class fun, games, activities, food, drinks, and after-party celebration. The atmosphere, year after year, is a celebration of First Tee and the significant positive impact it provides to our community.

Your support through this event goes directly to fund First Tee programming at our dedicated 9-hole course, practice areas, and learning center in Virginia Beach as well as our satellite program locations at Cedar Point (Suffolk), Lambert's Point (Norfolk), and Eagle Creek (Moyock, NC). Our First Tee curriculum is also taught in over 100 local public schools and community organizations, helping broaden our impact to serve over 40,000 youth annually in South Hampton Roads. The funds we raise through this event is vital to making the First Tee program accessible and affordable to those families in our community that may not otherwise be able to participate.

Please join me on October 10, 2022 through your sponsorship and participation in First Tee's 2022 Annual Tournament. You may register online at FirstTeeHamptonRoads.org, by calling our Executive Director Rebecca Shuford at 757.962.5524, or we would love for you to stop by First Tee where you will also be able to see our mission at work. We are located right next to Virginia Beach National Golf Club. I look forward to enjoying a wonderful day of sport and friendly competition with you, while introducing you to some of First Tee's participants, core values, and impact stories.

With gratitude,

Brian
